

## 2017 Vendor Space Request

Dear Vendor,

We would like to offer you the opportunity of being a vendor for upcoming events at the Great Southwest Equestrian Center (“GSEC”)! Please complete the GSEC Vendor Space Request below and check the boxes of the 2017 horse shows you would like to attend. Once all vendor requests have been received and available space determined, you will be contacted and required to sign a 2017 Vendor Agreement. We know you have a choice as to where you do business and appreciate you choosing GSEC. We wish you success when participating in our shows.

### Vendor Arrangement

All booths and trailers must be arranged so that all merchandise and signage are within the assigned space. Ample space must be provided within the booth for vendor staff and visitors. Due to the Fire Marshall’s guidelines, any vendors under the covered vendor section must adhere to a center aisle way of six feet and trailer awnings will not be permitted. Vendor booths may not be moved or sublet once assigned. Only one type of business may be sold from assigned space. There will be absolutely no selling of merchandise or professional services on the show grounds or in stalls unless you have a booth space leased.

### Attendance Discount

**10% DISCOUNT:** By attending ten or more GSEC owned shows during **2017**, a 10% discount of the combined total paid to GSEC will be deducted from the vendor fee of the final show.

### Insurance

Once availability is determined, Vendors must provide a certificate of liability insurance and an additional insured rider naming GSEC as an additional insured, which will be as more specifically described in the Vendor Terms and Conditions.
