ENTRY & GENERAL INFORMATION

“AHA One Day or Value Shows only count toward AHA qualifications and programs.”

Entries: Entries are made on the official entry form of the show and will not be accepted unless accompanied by a negotiable, signed valid check or money order for the total amount or completed credit card information with signature. If received without payment, the entry becomes a post-entry and the post entry fee will apply (\$35 per horse). All entries must attach (1) copy of registration papers showing owner of record with Arabian Horse Association; (2) copy of current AHA membership card or include the appropriate non-member fees with entry. AHA Horse Identification Number, AHA membership number must be written on the entry form. Entry form must be signed in the spaces indicated and a signature is required by the parent (if not available, the trainer) if a minor is showing. Exhibitors must pay all accounts at the show office to remove horses from the show grounds. Upon conclusion of the show, there will be a \$50 charge assessed per horse for those who do not check out in the office prior to leaving the show grounds. Checks returned to HAAS marked “insufficient funds” will be assessed an additional \$50 fee per check. If restitution is not made immediately upon first verbal or written notification, the HAAS will take all appropriate actions in accordance with AHA rules. All horses on show grounds must be entered in the show unless other arrangements are made with show management.

Entry closing information/Post Entries: Entries close on **Dec. 27, 2021**. Post Entries are accepted (Exception: Dressage, only with approval from Dressage Coordinator). Post Entries are any entries made or made complete after the closing date.

Entries postmarked after Dec. 27, 2021 will be considered Post Entries and will be assessed a “Post Entry Fee” of \$35 per horse. A United States Postal Service postmark will take precedence over postmarks from private meters, etc.

Completed Post Entries will be accepted after show has started and up until one (1) hour prior to the beginning of the session in which the class is to be held.

These post entry fees don’t apply to horses already entered in show that add classes during the show.

Refunds: In order to receive any refund, withdrawal of entries must be made in writing to the Show Secretary and accompanied by a vet/medical certificate stating inability to show. If proper notification is postmarked by entry closing date, all fees except the office fee will be refunded. After the entry closing date and prior to the start of the show (Fri., Jan. 14, 2022, at 8:00AM), all fees will be refunded except the horse stall and office fee for each horse. No refunds will be allowed after the start of the show or after the conclusion of the show. Dressage ride fees are non-refundable after ride times are scheduled.

Cancellation of Classes Due to Emergencies: In the event that a class, or a series of classes, or all or part of the competition is cancelled due to an accident, storm, or other emergency after Move-In Day (Thursday, Jan 13, 2022), no refund of entry fees will be made.

Vaccination Record & Negative Coggins: Each horse, upon entry at show grounds, **MUST** be accompanied by (1) documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccination within six months prior to entering the facility (see USEF GR845), and (2) a negative Coggins test (Equine Infectious Anemia Test) within the last 12 months (the time restrictions must not expire while the horse is at the facility). Documentation is required for presentation at the show office and at time of arrival on show grounds; all horses are subject to inspection by the show veterinarian. All horses must be in accordance with the current rules of the Texas Animal Health Commission. Health requirements are subject to change by TAHC. Out-of-state exhibitors must be aware of and follow the TAHC requirements for entering the state. 512-719-0777 www.tahc.state.tx.us

Stalls: Stalls may be occupied from Thursday, Jan. 13 at 9AM until Mon., Jan. 17, 2022, at Noon for the \$85 stall fee, or daily for a \$45 per day rate. The show has done away with Grounds Fee and is now offering a stall for the same amount. Stall fee must be paid for every horse (horses cannot share any stall, but exhibitors can share a tack stall). Additional occupancy is available for early move-in (\$25) and late move-out (\$25). No requests for adjoining stalls from different owners will be honored unless all are mailed together. Stalls are covered and doors are provided. No hay/straw shall be used as bedding.

Early Arrival & Shavings: All early Move-Ins (on or before Wed., Jan. 12, 2022) must make arrangements with Karen Blankenship in advance; shavings cannot be received after 4:00 PM until the following morning unless advance notice is made. You must make arrangements with Karen Blankenship no later than 3:00 PM Jan. 12 in order to receive shavings for early move-in. They will be locked in your stall with a combination for only the staff representative. Shavings can be received from Thur., Jan. 13 to Sun., Jan. 16 only between the hours of 7AM-10PM unless advance notice is made. Shavings must be purchased from facility in the show office. No shavings shall be brought on site—a fine of \$100 per stall will be charged. No hay or straw shall be used as bedding.

Facility information: No extension cords are allowed on the ground or buried. The facility does not allow cooking in the barns. All dogs must be on a leash. Loose dogs will be impounded and \$25 charged to return. Show arena: covered, 300'x150', sand-and-clay footing. East arena: covered, 250'x125', sand-and-clay footing. Warm-up arena: covered, sand-and-clay footing. Additional Warm-Up arenas: outdoors, sand-and-clay footing. Sharps containers are located prominently in each barn. Concessions will be available during show hours. Services may be limited prior to the beginning of the show. Shavings must be purchased from facility in the show office. No shavings shall be brought on site—a fine of \$100 per stall will be charged. No hay or straw shall be used as bedding. Hay and grain will not be available.

RV/campers and Hook-Ups: Permits are required. Hook-ups are \$40/day and include the space, water, and electricity. You must get an official permit from the Horse Show Office and display it visibly on your door or window. Please make a reservation so that we can put the official permit in your packet.

Veterinarian, Farrier and First Aid: A Veterinarian will NOT be on the grounds, but Decillo Equine of Hempstead is available on call. The phone numbers will be posted at the show office. In the event of an acute and serious injury to or illness of a horse on competition grounds when the owner or trainer of the horse or agent of the owner is not present, after reasonable effort to contact that individual has been made, competition management, in consultation with a licensed equine veterinarian, may authorize the provision of emergency veterinary treatment of the horse. If competition management so authorizes treatment under the provisions of this rule, competition management and veterinarian are not liable for any resulting costs, damages, losses, claims, or actions arising directly or indirectly from the treatment of the horse. A farrier will be available for exhibitors. We ask that you use the services of the show farrier. All other farriers must check in with the show manager prior to seeing any customers. They must get permission to work on the show grounds and pay a vendor fee. First aid treatment will always be available during the performance and an ambulance will be on call.

Judges: This is an AHA Value Show and will be judged by an AHA (Arabian Horse Association) judge and a licensed WDAA (Western Dressage Association of America) judge. The AHA judge will judge Main Arena, Trail and Ranch Horse classes. The WDAA judge will judge Dressage and Sport Horse. This show will be judged according to the single judge system. In the event of illness or failure of a judge or any other official to attend this show or to perform his duties, the show committee reserves the right to substitute an official for the one officially designated in the prize list, according to AHA and WDAA rules.

Receive a first through sixth place in one class at an AHA Qualifying Show within your qualifying section and it qualifies your horse for as many classes within that section your horse/rider/driver/handler combination is eligible for at one Regional Championship Show

Questions not covered by these organizations rules shall be decided by the Show Committee and its decisions will be final. By entering this show, each exhibitor agrees to abide by the final decision of the Show Committee.

Questions, Disputes & Protests All decisions made by the Judge and/or Show Management are deemed final and cannot be protested.

CLASS INFORMATION

Judging, class specifications, rules and conduct shall be in accordance with the current AHA Rulebook and WDAA rules.

Leadline, Walk-Trot, Showmanship Walk-Trot Exhibitors: AHA Membership is not required. Parents/Guardians signing for Leadline/Walk-Trot/Showmanship Walk-Trot are exempt from AHA Membership requirements. Headers in Walk-Trot and leaders in Leadline classes must be at least 14 years of age.

Junior Exhibitor: An individual who has not reached his 19th birthday as of December 1 of the previous calendar year which is the start of the current competition year. The age of an individual on December 1 (of the previous calendar year) will be maintained throughout the entire competition year. Persons born on December 1 (of the previous calendar year) assume the greater age on that date.

Amateur: For the Arabian Division, adult amateurs are defined as those no longer eligible to compete as junior exhibitors. DR119.3 (Dressage Div.) does not apply. Regardless of one's equestrian skills and/or accomplishments, a person is an amateur for all competitions conducted under Federation rules who after his/her 19th birthday, has not engaged in any activities which would make him/her a professional.

Amateur Owner Rule Added to AHA code of Ethics: It is unethical to transfer or assist or facilitate in the transfer of a horse with the intent to circumvent the purpose of the rules regarding ownership of horses shown in the amateur and/or junior owner classes. In determining whether the transfer was unethical, the EPRB may consider, among others, the following: a. Horse ending up back in the previous owner's name within a year of the original transfer. b. Horse being transferred at less than fair market value (owner to provide proof of the sales amount). c. The fact that prize money went to a person other than the owner or family member. No prize money to be awarded at this Value Show. d. The fact that the owner or family member did not pay the expenses relating to the upkeep and showing of the horse.

Owner classes: To show in an Owner class, every competitor must be a junior/adult amateur exhibitor and the owner or member of the owner's family. Combined ownership is not permitted in JOTR/AOTR/AAOTR classes unless all owners are member of the same family. For competition purposes, the term family includes spouse, parent, step-parent, child, brother, step-child, sister, half brother and sister, aunt, uncle, niece, nephew, grandmother, grandfather, grandchildren, and in-laws of the same relation as stated in GR123. Horses entered in amateur owner and junior owner classes must be registered in the name of the competitor or a member of the competitor's family, as defined by GR123. Horses registered in a farm/ranch/syndicate/partnership/corporation name may be shown in Amateur Owner classes provided the family is the sole owner of the farm or entity (GR123). The sale of a horse does not eliminate this requirement. (Contracts of Sale or Bill of Sale will not be accepted. NOTE: Leased horses not eligible unless the lessee and lessor are members of the immediate family.

Leveling Classes: This show offers SELECT amateur classes. Select level guidelines can be found at www.arabianhorses.org. **LEVELING PROGRAM** - A rider may now choose to ride any and all levels at or above their given level unless so stated in a show's prize list, but cannot ride below their designated level. They must have separate qualifications for each class ridden. This applies to all shows unless restricted by show management. USEF AR110.2.g. Once an exhibitor has signed into the AHA website, a leveling view can be found at the bottom of the exhibitor's leveling record which indicates which level they should be competing at.

Age Split classes: The age of the exhibitor on December 1, 2021 will be used to determine the correct age split classes for the exhibitor in the 2022 show year.

Maiden, Novice or Limit: Has not won one ("Maiden"), three ("Novice"), or six ("Limit") first place ribbons at a Regular Competition of The Federation in the particular division in which it is shown. Ribbons won within one section do not count if the animal competes in a different section (e.g. Arabian Park to Arabian Western Pleasure). Ribbons won in one-horse classes do not count; the status is as of closing of entries for this show.

Ladies & Gentlemen: An Adult Amateur or Junior exhibitor may show in any Ladies & Gentlemen to Ride class.

Performance championships: To be eligible to show in a particular performance championship, a horse must have been entered, shown and judged in a designated qualifying class at this show. See qualifier in parenthesis after class name on schedule and on recap page. All entries placing first, second, or third in a qualifying class must show back in the corresponding championship or forfeit the prize money awarded in the qualifying class (exception: JTR or ATR qualifying classes for open championships). If an exhibitor has qualified two or more horses for the same championship class, an exception will be made if the show office is notified in advance.

Halter championships: To be eligible to show in the breeding/in-hand halter championship, a horse must have placed first or second in the designated qualifying class. Sport Horse In-Hand Champions and Reserve Champions must be at least two years old.

Back Numbers: The assigned number of each entry shall be prominently displayed by the rider, driver or handler when the entry is exhibited.

Calls for classes/check-in with Paddock Master/Tack changes: As a courtesy to our exhibitors, the public address system will be used to make barn calls if possible. However, exhibitors are responsible for seeing that entries reach the gate on time and should not rely solely on the P.A. system. Classes will be called promptly. Check-in is required in the paddock area with the paddock master. Time for tack changes will be at a minimum; the paddock master should be notified of any special requirements, and he/she may delay opening the gate for the next class for very brief accommodations.

Promptly Enter Gate When Opened (AR107.1):

When horses are competing collectively, if a first horse does not enter the in-gate ready to participate within one minute from when the class is called into the ring,

a warning is issued. a. Exhibitors will then have one additional minute to start the steady stream of horses into the in-gate.

b. If no horses have entered the gate at the conclusion of the additional one minute, the gate shall be closed and the class is deemed concluded.

c. Once the first horse has entered the in-gate, a steady stream of horses must be maintained.

d. Should the steady stream be broken after the two minutes have elapsed, the gate shall be closed, and judging will commence.

e. A steady stream is defined as a constant flow of horses moving forward through the in-gate with a reasonable and safe distance between them (i.e., two to four horse or horse and buggy lengths in between).

f. Show Management in conjunction with the Steward may deviate from this procedure as circumstances warrant.

Admission to the Arena: No person will be permitted to enter the arena except participants in the class, judges, and their assistants, show photographer and assistant, show officials and staff. Attendants will not be permitted in the arena until summoned by the judge.

CLASS SPECIFICATIONS

All classes are to be conducted in accordance with the rules of AHA. Judging, class specifications, rules and conduct shall be in accordance with the current USEF/EC Rulebook. “

(Only weanlings that have had registration applied for may show without registration papers.)

The snaffle bit must have a round, egg butt or "D" shaped ring with no attachments to the headstall or reins through a hook (except for keepers for a full cheek snaffle). Full cheek (with or without keepers), French and Dr. Bristol snaffle bits are permitted). (BOD 3/18) If a curb strap is used, it must be attached below the reins (Maturity class specifications may differ from Futurity requirements, refer to PERF 110) (BOD 11/12)

Halter classes: Breeding & In-Hand classes will be judged using the Class Procedure for Comparative Judging for Halter Dispensation.

COMP 815. CLASS PROCEDURE FOR COMPARATIVE JUDGING IN BREEDING IN-HAND (Res. 20-13 - See AHA, Ch 11).

1. Class Procedure for AHA Recognized shows other than Regionals and Nationals (Refer to COMP 607 – DISPENSATION);

Judging begins when the first horse enters the ring. From the moment the horse enters the ring its movement is being evaluated. The horse shall enter at a trot, and at the handler's discretion may either proceed directly along the rail, or trot a counter-clockwise circle at the in-gate end of the arena and then proceed along the rail to the far end of the arena. Upon each horse reaching the designated position at the far end of the arena they are to remain relaxed. The judge(s) will then ask for the next horse to enter the ring. When all horses have entered the ring, the horses shall be asked to walk collectively counterclockwise and/or clockwise past each (and all) judge(s). They shall walk in a relaxed manner on a loose lead with the handler at the side of his horse, whips down. The lead line must maintain a discernible drape and the handler must not place his hand on the chain or close enough to in any way restrict the natural head and neck motion. The handler may not unnecessarily impede the forward motion of the horse while at the walk. Following the cessation of the walk all horses shall relax within the ring and only the horse "on deck" shall be prepared to show. Each horse shall be led to the judge(s) at the walk and presented for judging. In order to satisfy a

proper presentation to the judge, horses should stand correctly, bearing weight on all four feet (not stretched), in a quiet and deliberate manner. Following the evaluation by the judge(s), horses shall walk away from the judge(s), and then strike a trot before turning left and proceeding counterclockwise down the rail. They shall resume their relaxed position at the end of the arena.

A. Handlers are expected to keep a reasonable clearance between horses and judges should modify the alignment of horses to achieve that clearance. Further judging will not commence until the Call Judge approves the placement and spacing of all horses,

B. After the last horse is presented, the adjudication process is complete and horses will not be further compared.

2. That in the event that any comparative judging is used, in a one (1) judge system, judge shall give oral reasons for their decisions after the card is handed in.

Headers and Leadline

Open to riders who are at least two years of age and have not reached their seventh birthday as of December 1, 2019. Leaders must be at least 14 years of age. The safety of all exhibitors must be of primary consideration when conducting these classes. Any action by any exhibitor, leader or horse that endangers that exhibitor, or any other exhibitor or leader must be penalized and will be considered as cause for elimination. Safety is of the utmost importance in tack and attire: a) saddle must fit rider; b) rider's feet must be engaged in the stirrups/irons; c) saddles may be equipped with hooded stirrups or breakaway irons; d) leading rein may be attached to a cavesson or a halter placed under or over the bridle; e) safety helmets, with chin straps, may be used by any rider, regardless of style of tack and/or attire; f) boots, long pants and long sleeve shirts are required. **Stallions are prohibited.** This class will not be placed, and similar awards will be presented to all exhibitors.

Helmet/ Vest Rule

Any exhibitor may wear protective headgear (ASTM/SEI) and/or a protective safety vest specifically designed for use in equestrian sport in any division or class without penalty from the judge. AHA does adhere to this Federation rule therefore, this rule is applicable to AHA One Day and AHA Value Shows.
