#### Dear USEF Participant:

USEF thanks you for participating in this competition and your support of USEF's continuous efforts to provide the safest environment possible for our athletes and other participants. Strategies for safeguarding athletes continue to evolve, and we are fully committed to keeping pace with best practices.

The purpose of this letter is to remind you that you are bound by the U.S. Center for SafeSport Code, USEF Safe Sport Policy, and Minor Athlete Abuse Prevention Policies, also known as the MAAPP. This includes the SafeSport Training requirement for adult members and participants who have regular contact with minor athletes. Additionally, please be reminded about reporting obligations. Any concerns that are non-sexual in nature, please use the USEF Safe Sport Incident Reporting Form available on the USEF website. Concerns or suspicions regarding sexual misconduct must be reported to <a href="https://safesport.i-sight.com/portal">https://safesport.i-sight.com/portal</a> and the authorities if a minor is involved. All of this information can be found in the USEF Safe Sport Policy.

Please take a moment to review the new USEF <u>Safe Sport web pages</u> on the USEF website to find comprehensive resources regarding USEF Safe Sport efforts. You can also contact Sarah Gilbert, USEF Safe Sport Program Coordinator, at <u>sgilbert@usef.org</u> for any questions or concerns relating to the USEF Safe Sport program.

# EQUESTRIAN CLOSET

"The process is so incredibly simple and I have had a lot of success selling my old riding gear."

SCAN TO START SELLING AND BUYING AT SHOPEQUESTRIANCLOSET.COM

#### AN EQUESTRIAN CLOSET

#### **SUCCESS STORY**

#### **MEET KEYEA**

#### What is your riding story?

I have loved horses as long as I can remember and my parents let me start taking riding lessons when I was 12. I worked at our barn to pay for my lessons and competed in the 3 day eventing discipline throughout high school. I went to Texas A&M and rode on the equestrian team. After college I took about a 10 year break as I built my career and figured out how to pay for this expensive sport. I started back when I was about 33 and haven't looked back.

# How would you describe your equestrian fashion style?

Practical and comfortable! When I find something that fits me well and looks good, I tend to stick with that brand. Over the last few years I have been experimenting a little more because there are so many stylish and fun brands out there now.

# Why did you create an account on Equestrian Closet?

Honestly, I always felt bad buying new riding clothes, when I had perfectly good riding clothes at home. It was hard for me to justify. So, when I heard about Equestrian Closet, I got excited because I could sell my current clothes and wouldn't feel bad about buying and trying new styles.

# What items have you sold and how easy was the process?

I have had a lot of success selling my items. I have sold 5-6 breeches, Free Jump stirrups and a couple of show shirts. The process is so incredibly simple. I take a few pictures of my items, find a description of them online and then post them on the site. Once the item is sold, I print out the mailing label from the site, put my item in one of the many Amazon boxes I received that week and drop it off at UPS.

# Why did you choose Equestrian Closet vs. consignment?

I have had more luck with Poshmark for normal clothes vs. consignment, so I thought this would be similar. I also thought the marketing was great and wanted to support a local business!
