SERVICES

Announcements Class announcements and ride time announcements are a courtesy to the exhibitor and not all shows provide the capability of public address announcements. Exhibitors are responsible for presenting themselves to the ring at their designated time and accept the full responsibility for doing so. Competitions offering public announcements will make every effort to maintain a working PA system, but it is stressed that it is still the exhibitors' responsibility to be on time. No protest will be upheld, nor any ride time changed, on the basis of a PA breakdown or missed announcement. Ring stewards will also make every effort to keep people informed and entering the ring in a timely fashion. Exhibitors are responsible for knowing the correct show time and their scheduled performance time regardless of PA announcements or ring stewards. No protest will be upheld, nor ride time changed due to failure of the exhibitor to meeting their responsibilities.

If a pony, age three or over, is not in possession of a fully and correctly completed Measurement card, the Competition Management must order the pony to be measured by the Dressage Technical Delegate and the Competition Veterinarian pursuant to GR505, GR506, and GR508. Failure to allow the pony to be measured will result in the pony being disqualified at that competition from competing in pony classes or tests or for awards limited to ponies.

Pony Measurements Any animals not over 148 cm without shoes or 149 cm with shoes are classified as ponies. All other animals are classified as horses. Any pony being ridden in a pony restricted class must possess a USEF Dressage Standard or Temporary Pony Measurement card. A pony measurement is required for any horse under 8 years old which does not have a permanent pony measurement card or a current annual measurement. Owners must notify show secretary of any ponies needing a measurement for an appointment to be scheduled with the veterinarian and FEI Chief Steward/Technical Delegate. Measurement requests MUST be received prior to the start of the competition. The fee charged by the veterinarian will be prorated among the pony owners. This fee will only be the actual charge by the veterinarian and will not exceed \$100 per pony. Measurement fee will be paid directly to the veterinarian at the time of measurement. Do not prepay. Pony measurement will take place on Saturday after 8 a.m. If another time is required, arrangements must be made with management, TD, and veterinarian. A reminder of time and place for measurement will be posted in the show office at noon on Thursday. Owners must be USEF membership at the time of measurement. Liability Horses by their inherent nature present a risk. **Neither the organizing/show committee, the show volunteers and staff, the facility or its owners, any host GMO, USEF or USDF or their members will be responsible for any damage, injury, loss to persons, horses, or property of exhibitors or spectators/attendees. All owners and competitors are personally responsible for damages to third parties caused by themselves, their employees, their agents or their horses. They are therefore strongly advised to take out third-party insurance providing full coverage for participation in equestrian events at home and abroad, and to keep the policy up-to-date.**

Each participant in an equestrian activity expressly assumes the risk of and legal responsibility for any injury, loss or damage to person or property which results from participation in an equestrian activity. Each participant shall have the sole individual responsibility for knowing the range of his or her own ability to manage, care for, and control a particular horse or perform a particular equestrian activity, and it shall be the duty of each participant to act within the limits of the participant's own ability, to maintain reasonable control of the particular horse or horses at all times while participating in an equestrian activity, to heed all posted warnings, to perform equestrian activities only in an area or in facilities designated by the horseman and to refrain from acting in a manner which may cause or contribute to the injury of anyone. If while actually riding in an equestrian event, any participant collides with any object or person, except an obviously intoxicated person of whom the horseman is aware, or if the participant falls from the horse or from a horse-drawn conveyance, the responsibility for such collision or fall shall be solely that of the participant or participants involved and not that of the horseman.

Accidents A participant involved in an accident shall not depart from the area or facility where the equestrian activity took place without leaving personal identification, including name and address, or without notifying the proper authorities, or without obtaining assistance when that person knows or reasonably should know that any other person involved in the accident is in need of medical or other assistance.

Important notice to all affected parties Third parties may come upon the property or enter the facilities where any herein described or listed event will occur; provided, that this is a license to enter the premises, for the purpose of observing or participating in the event, but not otherwise, and such license to any individual is subject to revocation by the owner, lessee or organizer, and entry for any purpose other than granted herein, shall be deemed criminal trespass and subject to appropriate legal proceedings.

Loose dogs will be impounded and the owner may be assessed a fine up to \$200.00. No other pets or livestock other than horses and mules allowed on grounds.

MANAGEMENT RIGHTS and SHOW POLICIES

Show Management reserves the right to change officials, rotate rings, limit entries, add, combine or cancel classes insufficiently filled, modify the schedule or reschedule classes after due notice to exhibitors, and modify or cancel awards and/or make whatever changes are required by circumstances to the competition specifications listed herein.

Show Management reserves the right to refuse or require withdrawal of an entry, accept conditionally, or to cancel any entries, disqualify any riders or exhibitors, and/or prohibit entries deemed sufficient by Show Management without claims for damages.

Every horse entered for competition will comply with the rules of the horse show management, but management will, in no case, be responsible for any loss or damage that may occur, and it shall be condition of entry that each exhibitor shall hold this horse show and the officials and employees of the show blameless for any loss or accident to his horse, employees, equipment, which may occur from sickness, fire or otherwise.

Exhibitors are notified that any act of discourtesy or disobedience to the judges or officials, on the part of the owner, manager, rider, or groom shall disqualify the horse, and the owner shall forfeit his entry fee and other fees.

Show management reserves to itself the power to prohibit any person from attending or showing a horse in the ring and to remove any groom or horse from the show without being liable for compensation.

Show Management reserves the right to interpret all questions and conditions regarding or arising out of any incident in the show without claims for damages or recourse of any kind. All questions not covered in these rules and regulations shall be decided by the horse show management; their decision will be final.

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of over 100 independent organizations throughout the United States with a membership of nearly 30,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

(Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.)

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program and the USDF Regional Schooling Show Awards Program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$115) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

The Regional Championship Program Rules can be found on the USDF website at www.usdf.org. Please refer to the 2023 USDF Member Guide for the comprehensive list of rules and requirements for this program.

Important Considerations for Qualifying

1. A horse/rider combination may qualify for the SWDC Championship by earning two qualifying scores in qualifying classes at SWDC recognized shows during the SWDC qualifying year. Qualifying classes are the highest test at each level, with the exception of Walk Trot which will use Intro Test B. Winning or placing in the class is not necessary as long as the percentage is earned. These scores must be earned at two different competitions from two different judges.
2. An \$13.00 fee is added to the regular entry fee when entering a Qualifying Class at an SWDC recognized competition. Approximately \$1.00 of the fee is to provide for the volunteers' services at the Championships. \$6.00 of this fee is allocated for prize money at the Championships, and the remaining will be used to help pay for expenses and awards.
3. One score may be earned at a show that is not approved by the SWDC as long as:
 - a. The show is outside of Region 9 and recognized by USEF/USDF.
 - b. The rider submits the score (a copy of the front of a signed dressage test) and a fee of \$25.00 to the SWDC Qualifying Secretary within two weeks of the end of the competition. If the score is not received within the two weeks, it will not apply.
4. A horse/rider combination having won the Championships at a certain level and division may not compete at that level and division or below in the Championships in subsequent years (except Grand Prix). However, the horse may compete at any level with a different rider.
5. Riders in the Walk/Trot level must not have competed in a recognized show above First Level.
6. Each rider must declare the division in which they are competing prior to each attempt at a qualifying ride at SWDC qualifying shows or for a score submitted and must provide proof of eligibility in the case of Amateur and Junior/Young Rider. The intent to qualify for a particular division must be designated on the entry form. Adult Amateur, Junior/Young Riders and Ponies may also qualify for the Open division. Separate qualifying scores must be earned for each division. At the SWDC Championships riders must enter each division separately and will ride in each division separately. If a competitor is found to have entered a division in which they are **NOT ELIGIBLE** they must show in the Open division if their qualifying scores are sufficient to qualify in that division.
7. In qualifying classes with more than one judge, scores among the judges of the ride will be averaged. For purposes of obtaining qualifying scores from two judges, so long as one judge in the judging combination is changed, it will constitute a different judge.
8. Qualifying rides must be ridden in an unmodified standard 20m x 60m arena except of walk trot which may be ridden in a 20m x 40m arena.
9. Competitors wishing to qualify for the Training or First Level Open Pony Championships may ride a qualifying test at Training or First Level in any division. Qualifying scores do not have to be earned in classes restricted to ponies but the competitor must declare prior to the start of the ride their intent to qualify for the SWDC Pony Championship class. Ponies must meet height requirements as defined in the current DR USEF rules at the Championships.
10. Junior Riders may qualify for the SWDC Open Third Level Freestyle Championship Class using qualifying scores obtained from Junior Rider Freestyle and Young Riders may qualify for the SWDC Open FEI Level Freestyle class using the Young Riders Freestyle. Scores must meet the division percentages and the rider must state the intention to qualify for those classes and pay qualifying fees PRIOR TO THE RIDE.
11. Competitors may check scores by checking www.swdressage.org web site or by emailing the SWDC Qualifying Secretary, at qualifying@swdressage.org. To permit recording, scores will not be available until at least three weeks after the competition.
