PONIES & ROAD HORSES

The Hackney's hallmark is its highly distinctive action; trotting fluidly with high knee and hock action, the Hackney exhibits extreme brilliance. Hackney ponies are divided into four competitive categories: the Hackney Pony; the Harness Pony; the Roadster Pony; and the Pleasure Pony. Hackney & Harness ponies will be shown in a two-wheeled vehicle at a flat walk, pleasure trot and road trot. They must stand quietly and back readily. The Roadster is famous for its fast trot and ability to go long distances, it was the forerunner of the harness horses you see on the racetrack today. Shown at a jog trot, Road Gait and then at speed. The drivers and riders wear racing silks in farm colors. Roadsters should show animation, brilliance, and competition-ring presence with straight and true action in the jog-trot and Road Gait. "At speed," the horse must show speed and still go in form.

THE PLEASURE DIVISON

The Pleasure Horse should be a typical Saddlebred with quality, style, presence and suitable conformation; prompt, comfortable gaits; giving the distinct impression it is an agreeable mount to ride. Easy, ground-covering action is desired. Manners and suitability as a Pleasure mount are paramount. Special emphasis is placed on a true, flat walk. Transitions from one gait to another should be smooth and effortless. TO BE PENALIZED: Laboring action; pulling, tossing head; going sideways and tail-switching.

AMERICAN SADDLEBRED SHOW PLEASURE DIVISION

The English Show Pleasure Horse generally has less animation than the 3-Gaited, 5-Gaited, and Fine Harness Performance horse but should be alert and responsive. High, natural, free-flowing action is desirable. Laboring action due to excessive weight of shoes or length of foot is penalized. Judged 75% on manners, performance, presence and quality, 25% on conformation. Horses are to be shown by amateur and junior exhibitors. All entries in this division should be registered American Saddlebreds.

AMERICAN SADDLEBRED COUNTRY PLEASURE DIVISION

As in all Saddlebred sections, the best quality specimens of the breed should prevail. English Country Pleasure Horses must be plain-shod, without bands, pads or wedges.
